The Fry Group becomes Progeny

We're delighted to share the news that The Fry Group (H.K.) Limited has now become part of Progeny under the new name Progeny (Hong Kong) Limited. Matthew Curtis, our CEO & Director in Hong Kong, explains how we'll be continuing to support The British Chamber of Commerce in Hong Kong over the months ahead.

What happens next?

We're looking forward to continuing to collaborate with The British Chamber of Commerce in Hong Kong. Just as before we'll be sharing financial insights, updates and invitations to our events now and in the future under the banner of Progeny.

Our team will continue to work from our office in the Lippo Centre, attending future events organised by The British Chamber of Commerce in Hong Kong and across the Hong Kong expat community.

What can we offer the British Chamber of Commerce Hong Kong community?

Becoming part of Progeny means that we can now offer a wider range of services. In addition to advice about tax, estates, and financial planning, we intend to broaden our proposition in Hong Kong to include legal and property services offered by Progeny UK.

Whilst living in Hong Kong, we understand that embracing your expat status is of the utmost importance. And whether you choose to live in Hong Kong permanently, move elsewhere overseas, or return to the UK, we understand that you'll be keen to take control of your finances and make the most of the opportunities you have.
