

(In-person) BritCham Hong Kong Summit 2023

This is a hybrid event. Please note that this registration page is for in-person attendance only. If you want to register your virtual attendance, please [click here](#). With all COVID restrictions removed in Q1, 2023 is a year of beginning the process of rebuilding and relaunching. To reflect these changing times, the BritCham Hong Kong Summit 2023 will take a forward-looking perspective on Hong Kong's future prospects on the global stage, providing a vision and roadmap towards an even brighter future.

Taking place on Thursday 26 October, the BritCham Hong Kong Summit is one of the largest and most important events for the international business community in Hong Kong. This full day conference will bring together senior leaders from all sectors to discuss opportunities for growth as Hong Kong seeks to reinvent itself anew.

Throughout the day, delegates will hear from senior government officials, industry leaders and other notable business figures about what is needed to give Hong Kong a competitive edge as an international hub for talent, investment, and culture. The Summit will be centred around five panel sessions designed to spark thought-provoking conversations on what we can do as a business

community to ensure Hong Kong re-emerges stronger than ever.

Hear expert opinions and gain valuable insights on the overall business environment as well as the opportunities and challenges ahead. Speakers will discuss the necessary developments to **rebuild Hong Kong's international reputation, develop a vibrant creative economy, and support better livelihoods**, exploring the many facets of Hong Kong's brand identity and its future direction.
