

# **BritCham & KPMG Rugby Dinner 2024**

Come along to our annual Britcham & KPMG Rugby Dinner! First launched in 2004, the BritCham & KPMG Rugby Dinner 2024 marks the 20th anniversary of this beloved Chamber tradition.

Experience rugby fever with your colleagues, clients, and friends at this must-attend event on the Chamber calendar! Join us on the evening before the Cathay/HSBC Hong Kong Sevens for some outrageous fun with international legends of the game, complete with free-flow beer and a buffet fitting for the occasion. Like in previous years, you will be in company of some amazing rugby legends, and our favourite Robbie McRobbie will run the show as our guest MC.

There will also be an auction for magnificent prizes, with proceeds going to two charities: Rugby for Good and Love 21 Foundation.

If you are interested in purchasing a table, please direct your enquiries to Martine, our Events and Sponsorship Manager, at [martine@britcham.com](mailto:martine@britcham.com).
