## **Medical Insurance for Good**

In an era of spiralling healthcare costs and people becoming more health-conscious after the global pandemic, it is imperative to explore innovative financing strategies and delivery solutions. The need for functional and robust medical insurance coverage has never been more apparent.

Join us for an insightful event that delves into the ever-evolving landscape of medical insurance, the opportunities, and unmet needs. Our panellists renowned leaders in their respective fields, will explore:

- The shifting dynamics in the pandemic aftermath and the resulting changes in healthcare priorities;
- The challenges faced by individuals and families seeking comprehensive coverage, disease screening and mental health in particular;
- The need for additional measures to address the evolving healthcare needs of citizens despite the government's primary care initiative to make strides in strengthening disease prevention;
- The current landscape of medical insurance and ways to maximise opportunities to address growing

unmet needs.

Don't miss this extraordinary event that aims to empower individuals with knowledge, and foster collaboration between stakeholders in the healthcare industry. Join us for an enlightening discussion, where valuable insights and innovative ideas will shape the future of medical insurance. Reserve your spot now and be a part of this transformative dialogue.
