Practical UK Tax Planning Tips for Individuals in Hong Kong

Whether you're investing in a UK business, buying or selling a UK asset, or relocating to or from the UK, we

invite you to join us for our upcoming presentation dedicated to providing you with practical tips to optimise your UK tax position. During this breakfast briefing, Akin Coker, Partner and Head of the Private Client team at Buzzacott, will share what we know so far about the significant rule changes to the tax treatment of UK non-domiciled individuals (non-doms) that were announced at the UK's 2024 Spring Budget back in March. This will include case study style scenarios that explore how individuals with different circumstances may be affected by the new rules. As well as the non-dom news, Akin will share the key UK tax need-to-knows for individuals in Hong Kong to provide you with practical tips that will help you make the most of the ever-changing UK tax legislation.
