

Special Shell Offer for The British Chamber of Commerce in Hong Kong

We are excited to offer exclusive benefits to all The British Chamber of Commerce in Hong Kong members! Take advantage of our special promotions designed to provide you with more savings and enhance your driving experience. Our upgraded Shell Card can now support Shell Recharge charging along with petrol filling at our Shell stations. Sign up for your personal Shell Card today and enjoy the following benefits:

Charge Smarter: Enjoy a 5% discount on the Shell Recharge network. Gain access to one of the largest public charging networks in Hong Kong, featuring over 600 charge points across more than 56 locations.

Fuel Up for Less: Enjoy 8.8 HKD savings on every litre of our petrol fuel. Choose from our **V-Power Racing** Premium Fuel, designed to clean up to 100% of critical engine parts¹, or our efficient **FuelSave** Petrol, which helps to keep your engine clean and protected and extends your range by up to 15 km per tank².

More Care for Your Car: Get 20% off on car wash services and lubricants at our Shell station. Keep your car looking and running at its best with our top-quality products and services.

Earn as You Spend: Your fuel and charging expense will be settled via a single monthly invoice settle using your credit card, so you can earn credit card points at the same time!

Disclaimer

¹Compared to the previous generation Shell V-Power. Removes and protects from the build up of performance robbing deposits on key fuel system components such as intake valves and/or fuel injectors. Cleanliness and engine performance recovery demonstrated using industry standard and Shell proprietary tests. Actual effects and benefits may vary according to vehicle type, vehicle age, vehicle condition and driving style. No guarantees provided. For more information, please visit shell.com.hk

² Helps to clean and protect key fuel system components such as intake valves and/or fuel injectors from the build up of performance robbing deposits. Shell gasoline FuelSave compared with typical market average deposit level and based on a tank size of 50L. Actual effects and benefits may vary according to vehicle type, vehicle condition and driving style and benefit is defined for fuels with the same bio content as our fuel economy formula. No guarantees provided. For more information, please visit shell.com.hk

Digital Experience: Manage your fuel expenses and view your statements with ease via the Shell Fleet App, allowing you to monitor and control your spending efficiently.
