ARE YOU LOOKING TO ENTER THE ASIA PACIFIC MARKET?

'Hong Kong has a vibrant business environment with government support for innovative technology companies looking to scale up across Asia. We're excited to welcome UK Tech Founders registering to join this mission during StartmeupHK Festival. This is a fantastic platform to connect across Hong Kong's tech ecosystem.' Jayne Chan, Head of Startups, InvestHK

COLLABORATION PARTNERS

- UK, Hong Kong & Global Tech Advocates
- UK Department for Business and Trade
- Institute of Export & International Trade
- Institute of Directors
- techUK
- The British Chambers of Commerce Hong Kong
- InvestHK
- Hong Kong Science & Technology Park
- Cyberport
- Alibaba Entrepreneurs Fund

'We have garnered significant interest from potential investors, and discussions are currently underway.' Hao Pang, CEO, Quantum Science

'Q5D had good meetings with potential machine tool distributors as well as potentially useful organisations such as the Productivity Council.'

Stephen Bennington, CEO, Co-Founder, Q5D

MISSION DELEGATION PACK

Your Tech company will be promoted in our official Mission Delegation Pack which will be issued to all our Hong Kong partners in advance of your arrival.

PRE-MISSION BRIEFINGS

You will be invited to join pre-mission briefings with our Hong Kong partners to introduce yourself and your Tech company to develop early opportunities for business matching, ahead of your arrival into Hong Kong.
