Guaranteed Meetings — Built Around Your Project Priorities

In just 2 hours, meet solution providers mapped to your scope — from terminal expansion and passenger processing to security, baggage, cargo, digitalisation, and sustainability.

How does it work?

- 1) Tell us your priorities
- 2) We match suppliers
- 3) You arrive to a confirmed schedule
- 4) You leave with next steps

**Strong Business Connections
and Engagement in 2025**

4 Two-Hour Sessions

105 Meetings Booked

84 Hosted Buyers

55 Exhibitors

79 Companies

Airport Showcases: Spotlight Your Airport's Growth & Innovation – Absolutely Free!

Airport Keynotes

- Present your airport's ambitious expansion and upgrade plans in a dedicated 15-minute slot to a targeted audience of industry leaders and potential partners – at no cost to you.

Airport Space on Showfloor

- Complement your presentation with a complimentary tabletop or stand to visually showcase your key projects, technological advancements, and innovative initiatives.

Go Behind-the-Scenes at Hong Kong International Airport on 4 November 2026

Time: 09:00–10:00

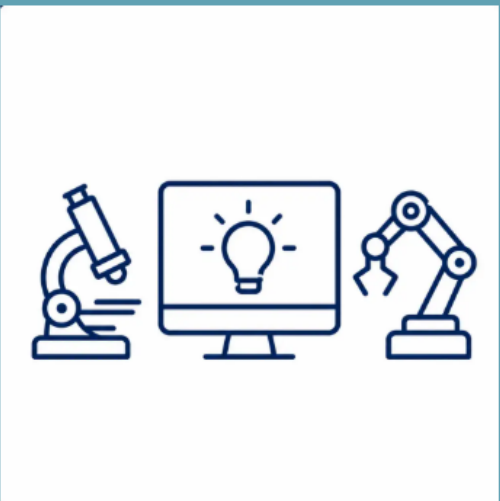

Airport Safety & Security (Airside)

Introduction to Autonomous Patrol Cars (APC) and Smart Security Screening Systems, showcasing how advanced AI, automation, and intelligent sensing technologies enhance overall safety in airport operation.

Speaker: SSBC Representative

Time: 11:00–12:00

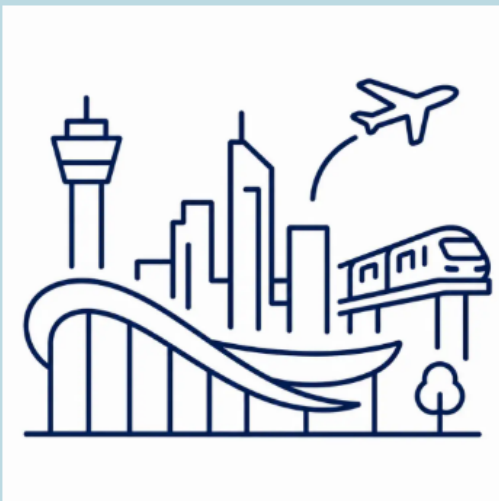

Technology (Landside)

Visit the Innovation Lab to explore the latest technologies and innovative solutions being developed and tested at Hong Kong International Airport. The lab serves as a platform for showcasing emerging technologies and driving digital transformation to enhance passenger experience and airport operational efficiency.

Speaker: ITD Representative

Time: 15:00–16:00

SKYTOPIA (Landside)

Visit the HKIA Brand Experience Centre to learn about the latest projects of SKYTOPIA, Hong Kong International Airport's vision for a future-ready airport city and gain insights into HKIA's integrated intermodal services across the Greater Bay Area, following with an introduction of the world-class new facilities serving at the Terminal 2 Departure Hall.

Speaker: SKYTOPIA Projects Representative

New! Complimentary Pre-Event Macau City Tour – 1–2 November

Experience authentic culture, UNESCO heritage, and world-class integrated resorts with one night's stay included.

In partnership with the Macao Government Tourism Office.
